

37th Annual Run Through the Pines

August 27, 2016 | Lake Gregory, Crestline, CA

Dear Community Member,

The Run Through The Pines is one of the oldest Southern California runs in the San Bernardino county area. Runners enjoy a 10K and/or 5K run, Kids Fun Run, or Race Walk around Lake Gregory. This years run will be in conjunction with the Crestline Chambers Wine & Stein Walk Through The Pines in which the Crestline Chamber is giving all runners a \$5 off discount to attend.

If you, your business, and/or organization would like to take part in this Lake Gregory tradition, by either inviting the participants to your business with specially offered coupons and/or discounts, and/or have your business visibility onsite at the run, we welcome you to do so.

The Park District also has sponsorship packages (see below) that promotes your business and your patronage on our Run Through the Pines signage which includes your logo on the back of the free t-shirt each participant takes home. Runners love their t-shirts!

We hope you will join us this year as we celebrate Lake Gregory with our annual Run Through the Pines. If you have any questions or if you would like more information, please contact the Park District Office by email info@rim-rec.org or by calling (909) 337-7275.

Thank you in advance for your time and support!
