

Lawrence Mainez

Lawrence Mainez was appointed to the District Board of Directors on November 3, 2015 and took office on December 7, 2015, where he currently serves as the Board Secretary and participates on two standing committees (Planning and Facilities Committee, and Public Relations and Programs Committee). Prior to being appointed to the Board, he served as a commissioner on the Lake Arrowhead Municipal Advisory Council (LAMAC) from February 2010 to November 2013.

Lawrence has been a full-time resident of the San Bernardino Mountain Communities for 18 years and has two sons currently attending Rim of the World High School (Nathan and Joshua). His sons have participated in Rim of the World Recreation and Park District programs since they were toddlers (i.e. tiquando, baseball, and basketball).

He received his Bachelor of Science in Urban and Regional Planning in 1991 from the California State Polytechnic University, Pomona, and has worked for a number of local agencies including the City of San Gabriel, the City of Claremont, the City of Yucaipa, the City of Grand Terrace, and the City of Palm Springs. Lawrence is currently serving the City of Highland as their Community Development Director where he manages the planning division, building and safety division, code enforcement division, fire marshal, housing division, animal control contract, tow rotation contracts, and economic development activities. In addition, he currently serves on the League of California Cities Environmental Quality Policy Committee where he helps shape legislation that could impact cities in California from an environmental regulation perspective.
