

OFFICIAL SPECIAL OLYMPICS RELEASE FORM

RELEASE TO BE COMPLETED BY PARENT, GUARDIAN OR CONSERVATOR

I am the parent/guardian/conservator of _____, on whose behalf I have submitted the attached application for participation in Special Olympics. I hereby represent that the athlete has my permission to participate in Special Olympics activities.

I further represent and warrant that to the best of my knowledge and belief, the athlete is physically and mentally able to participate in Special Olympics. With my approval, a licensed physician has reviewed the health information set forth in the athlete's application, and has certified based on an independent medical examination that there is no medical evidence, which would preclude the athlete's participation. I understand that if the athlete has Down Syndrome, he/she cannot participate in sports or events, which, by their nature, result in hyper-extension, radical flexion or direct pressure on the neck or upper spine, unless I and two physicians have completed the official "Special Release for Athletes with Atlanto-Axial Instability." Available from Special Olympics Southern California, or the athlete has had a full radiological examination, which establishes the absence of Atlanto-axial Instability. I am aware that if I choose not to complete the "Special Release for Athletes with Atlanto-Axial Instability" form which establishes the absence of Atlanto-axial Instability, the athlete must have the radiological examination before he/she can participate in, gymnastics, pentathlon, butterfly stroke, diving starts in swimming, high jump, and soccer.

In permitting the athlete to participate, I am specifically granting my permission, (both during and anytime after), to Special Olympics to use the athlete's likeness, name, voice and words in television, radio, film, newspapers, magazines and other media, and in any form, for the purpose of advertising or communicating the purposes and activities of Special Olympics and/or applying for funds to support those purposes and activities.

If a medical emergency should arise during the athlete's participation in any Special Olympics activities, at a time when I am not personally present so as to be consulted regarding the athlete's care, I hereby authorize Special Olympics, on my behalf, to take whatever measures are necessary to ensure that the athlete is provided with any emergency medical treatment, including hospitalization, which Special Olympics deems advisable in order to protect the athlete's health and well-being.

I am the parent (guardian) of the athlete named in this application. I have read and fully understand the provisions of the above release, and have explained these provisions to the athlete. Through my signature on this release form, I am agreeing to the above provisions on my own behalf and on the behalf of the athlete named above.

I hereby give my permission for the athlete named above to participate in Special Olympics games, recreation programs, and physical activity programs.
